

# Ostéo'Phyt

Articular comfort and suppleness

The inflammation is a natural organism response further to traumatism.

*Ostéo'Phyt*, made from herbal extracts in hydro alcoholic solution, regulates and relieves a large number of symptoms caused by inflammation through its natural mechanism.

*Ostéo'Phyt* is the perfect complement that contributes to offer a better articular inflammatory condition management.

*Ostéo'Phyt* can be used together with Imm'Oxy to fight against the oxidative stress linked to articular problems.

Contact your veterinary if symptoms persist.

## Compositions

Salt and dextrose

## Analytical components

Moisture	96,7 %
Crude ash	<1 %
Crude protein	<1 %
Crude cellulose	<1 %
Fat crude	<1 %
